Invest in real estate with retirement funds — tax-deferred, no penalty.

Lower your taxable income through higher contributions.

Accelerate business growth by helping IRA investors with transactions.

How it Works

- Start with a FREE, no-obligation, one-on-one consultation with an IRAR Trust Self-Directed IRA expert.
- During your consultation, simply mention that you are a NAR member to receive your exclusive discounted pricing.
- Open your account online, then fund it by transferring existing retirement funds or starting fresh with a new contribution.
- Once the funds are in your retirement account, you are ready to invest. Not enough funds? You can get a non-recourse loan or partner on a deal.

Self-Directed Retirement Plans and Real Estate—a Win for All

Seize the collective benefits and tap into the potential of real estate with self-directed retirement plans. Foster a win-win scenario for yourself, your clients, and the entire real estate industry.

NAR Members

Build retirement wealth by investing in the asset you know best - real estate. Discover how a self-directed retirement account can help you grow your savings, close more deals, and boost your business.

Brokers

Differentiate yourself from your competitors and keep your top agents. Offer this incentive at no cost to you to assist them in securing their retirement while also closing more deals.

Associations

As an organization you can demonstrate value by addressing one of the main issues impacting agents financially, emotionally, and mentally — saving for retirement. Give your members the power to create a prosperous retirement with a budget-friendly, user-friendly platform and investments they understand: REAL ESTATE.
